

OUR SOLUTION

✓ CUSTOMER RELATIONSHIP MANAGEMENT

Quickly see what opportunities are available at anytime, anywhere and from any device.

- Email marketing campaigns
- Opportunity management
- Mobile sales
- Order management
- 24x7 client access and visibility

✓ RECRUITING

Improve your pool of applicants with powerful sourcing, data and social media tools.

- Mass texting
- Job distribution and posting
- State of the art resume parsing
- Candidate sourcing
- Powerful semantic search
- Dynamic filters

✓ ONBOARDING

Eliminate unnecessary paperwork and the chance of human error in the new hire process.

- Electronic documents and signatures
- Personalized workflow
- Accessible via any device
- Integrated screening, assessment and verification partners

✓ TIME CAPTURE & MANAGEMENT

Keep your projects and operational costs down with real-time assignment data housed in one complete system.

- Mobile time entry and client approval
- Time clock integrations

✓ PAYROLL, BILLING & AR

Streamline your entire staffing process, from hiring to payroll processing and invoicing.

- Fully integrated, seamless back office
- Personalized invoicing

✓ REPORTING

Access configurable and role-specific metrics to streamline your workflow. Gain insight into what counts.

- Robust, integrated front to back reporting
- Email generated push reports
- Extensive standard reporting package with tools for all users

✓ COMPLIANCE MANAGEMENT

Avoid complications that could arise with wrongly classifying workers or violating Federal Employment Laws.

- Essential industry forms available for employment compliance needs
- Delivery of detailed EEO and OSHA reporting
- 1094 and 1095 Reporting
- State specific minimum wage and OT plans
- E-Verify integration

"They've helped us grow. We've helped them grow. It's been a really great partnership."

- Destiny Cowan, Vice President at Diversified Sourcing Solutions

Committed to the **Success** of our **Customers**

We **invest** in our **clients**, our **team** and our **technology** to create a better experience and fuel client growth.

At Avionté, we're committed to providing you with a truly great software solution, backed by exceptional customer service. We go above and beyond to deliver software that will help you achieve great business results.

Built by software industry experts, no other software merges an intuitive, easy-to-use software interface with the robust functionality and full integration your entire staffing firm needs. Our software is designed for real users and delivers real results.

GROWTH

In over 10 years we've grown from startup to one of the leading companies in the industry. Today we serve 450 clients and over 14,000 users.

RETENTION

We maintain a 99 percent user retention rate, with a focus on our customer relationships. We are passionate about our customers and the service we provide.

INTEGRITY

There are no long-term contracts required when you partner with us. We work to earn your business, each and every day.

TECHNOLOGY

Always be one step ahead of the competition. We invest 20 percent top-line revenue in R&D year-over-year to ensure the best feature and functionality set available.

WHY AVIONTE?

OUR TECHNOLOGY

"They're always innovating. If there's something new on the horizon, Avionté is going to jump on it."

- Tiffany Farr, Vice President at Vision Staffing Solutions

Innovative, Intuitive, Mobile and Fully Integrated...
We've got that covered.

MOBILE-FIRST & RESPONSIVE

Our mobile solution is designed with today's recruiting in mind. Optimized for all mobile devices, Avionté is accessible anywhere, at any time.

INTUITIVE DESIGN

Easy to learn. Easy to use. Our friendly interface is both comprehensive and simple, allowing you to complete your tasks with less clicks and a smooth workflow.

MODULAR APPLICATIONS

We understand all businesses are unique. Our modular applications allow you the flexibility to select the tools needed for your business.

CLOUD-BASED INFRASTRUCTURE

Our solutions offer the highest level of flexibility as your business needs fluctuate. Software updates can happen quickly, making you more competitive and always equipped with the latest features available.

ONE END TO END SOLUTION

As a fully integrated, front to back office software solution, Avionté provides one complete system your entire company can use.
